Hi Chris,

I believe I can make that time work. I think I was blocking off that date for the Sprint team briefing for Mike Slimak, but he has since set a time for the briefing in the a.m.

Thanks,  
Andrew

Good morning Andrew:

I am ready to schedule the meeting, and I believe you are one of the key people who should be there. Unfortunately, Monday, November 7 (2-3:00 pm) is the only date/time available, for most people, but you are not available.

Thanks.
